RELENTLESS PERFORMANCE, UNRELENTING SECURITY

Dealing with high cash volumes comes with high risks. We used all our decades of experience, expertise, and international best practices to develop a range of automated banking machines that cancel out threats - from outside and inside your business.

Our industry-leading, high-speed smart-safes also offer an all-in-one solution to streamline your cash flow. So you can focus on improving your customers' experience and staff performance while saving time and money. Plus, reduce insurance, security, cash-in-transit costs, and more. That's time and money you and your team can devote to your customers and your business.

WE DO MORE THAN PROTECT MONEY.
WE SAVE YOU AND YOUR ENTERPRISE
FROM THE COSTS OF HANDLING CASH.

PROTECTOR

10 000 RANGE

- Biometric, touchscreen, or card user access
- 24-hour on-site device visibility and tamper notification
- Traceable cash containers
- Back-up battery for transaction completion
- Improve cash-in-transit efficiency
- CONNECTOR REPORT — real-time device information, transaction tracking, custom reports, and remote monitoring
- International standard of quality and performance

WE DEVELOP SUPERIOR, INNOVATIVE PRODUCTS THAT OFFER MORE FUNCTIONALITY, MORE EFFICIENCY, AND MORE SECURITY.

MAKE CASH MANAGEMENT MORE INTELLIGENT WITH CONNECTOR

Our comprehensive family of software tools create a powerful, flexible financial transaction platform to suit your business. Improve efficiency and effectiveness of cash management across payment channels and operating systems. Secure, consolidate and make your data easily accessible to decision-makers.
