SECURE YOUR SUCCESS

Growing your business is already a demanding investment of time and energy. The Protector 2400 range will take care of your on-site cash so you can focus on what you need to. This compact, affordable smart-safe automates your cash management saving you precious time. Plus, reduce insurance, security, cash-in-transit costs and more. That's time and money you and your staff can devote to your customers and your business.

AFFORD GREATER SECURITY AND PEACE-OF-MIND
WITH WORLD-LEADING, CASH-HANDLING
DEVICES FOR ANY GROWING BUSINESS.

PROTECTOR

2 400 RANGE

- Reduce and streamline cash-in-transit collections
- 24-hour on-site device visibility and tamper notification
- Traceable cash containers
- CONNECTOR REPORT: Track and view transactions and create custom reports via the web
- Back-up battery for transaction completion
- International standard of quality and performance

INNOVATIVE CASH-HANDLING SOLUTIONS OFFER
BETTER SECURITY, FUNCTIONALITY AND EFFICIENCY.

A smiling man and woman, likely business owners or employees, are standing in front of a brick building at night. The woman is wearing a black beanie, glasses, and a black apron over a light blue shirt. The man is wearing a yellow shirt and a black apron. They are both smiling and looking towards the camera. A semi-transparent dark grey box with a red vertical bar on the left side is overlaid on the image, containing text.

MAKE CASH MANAGEMENT MORE INTELLIGENT WITH CONNECTOR

Our comprehensive family of software tools create a powerful, flexible financial transaction platform to suit your business. Improve efficiency and effectiveness of cash management across payment channels and operating systems. Secure, consolidate and make your data easily accessible to decision-makers.
